

**American Board of Vascular Medicine (ABVM)
Endovascular Medicine Certification
Examination Content Outline**

| | |
|--|-------------|
| 1. Pathophysiology, Risk Factors, and Screening | 8% |
| A. Pathophysiology | 4 |
| 1. Arterial Diseases | 1 |
| 2. Venous Diseases | 1 |
| 3. Atypical Vascular Disorders | 1 |
| 4. Lymphatic Diseases | 1 |
| B. Epidemiology and Risk Factors | 4 |
| 1. Arterial Diseases | 3 |
| 2. Venous Diseases | 1 |
| C. Clinical Standards For Screening | 1 |
| 2. Diagnosis and Testing | 16% |
| A. History and Physical Examination | 7 |
| 1. Arterial Diseases | 4 |
| 2. Venous Diseases | 1 |
| 3. Atypical Vascular Disorders | 1 |
| 4. Lymphatic Diseases | 1 |
| B. Differential Diagnosis, Imaging, and Laboratory Evaluation | 11 |
| 1. Arterial Diseases | 7 |
| 2. Venous Diseases | 3 |
| 3. Atypical Vascular Disorders | 1 |
| 3. Treatment and Interventions | 64% |
| A. Endovascular Interventions and Surgery | 47 |
| 1. Arterial Diseases | 32 |
| 2. Venous Diseases | 10 |
| 3. Atypical Vascular Disorders | 5 |
| B. Procedural Complications | 13 |
| 1. Arterial Diseases | 9 |
| 2. Venous Diseases | 3 |
| 3. Atypical Vascular Disorders | 1 |
| C. Medical Treatment | 6 |
| 1. Arterial Diseases | 2 |
| 2. Venous Diseases | 2 |
| 3. Atypical Vascular Disorders | 1 |
| 4. Lymphatic Diseases | 1 |
| D. Clinical Guidelines For Intervention | 4 |
| 4. Prognosis, Surveillance, and Re-intervention | 12% |
| A. Prognosis, Surveillance, and Re-intervention | 13 |
| 1. Arterial Diseases | 9 |
| 2. Venous Diseases | 3 |
| 3. Atypical Vascular Disorders | 1 |
| Total | 100% |
