TEST CENTER ADMISSION AND IDENTIFICATION

At the testing center, you must present **one** form of valid identification (ID) that must exactly match the first and last name on the Examination Confirmation Letter email. For a list of acceptable forms of ID and requirements, visit www.APCA.org/CheckID. Please carefully review test center admission requirements prior to taking the examination.

Failure to present acceptable ID will prevent you from being allowed entry into the test center to take the examination. If this occurs, you will be marked "Absent" and will forfeit the entire examination fee and seat. A candidate is NOT ALLOWED to leave the testing center to obtain their IDs, and the candidate is NOT ALLOWED to have someone bring them their IDs while they wait at the testing center.

Please note that you will NOT be able to update your primary contact information with Pearson VUE. To update your primary contact information, please log in to your MY APCA Account. [Changes to your first and last name must be submitted to the APCA office](#). When making a name change, make sure that you have an unexpired, government issued ID with your signature that matches the requested name change
