## Registered Vascular Technologist (RVT)

**Issued by Inteleos**

The Registered Vascular Technologist (RVT) certification raises the standard of vascular ultrasound practice worldwide and promotes best practices for enhanced patient safety. It is designed to certify medical professionals in the vascular ultrasound field. By earning the RVT certification, healthcare professionals gain a critical edge in promoting public safety in vascular ultrasound.

**ARDMS®**
**REGISTERED VASCULAR TECHNOLOGIST**
**RVT**

**Type:** Certification

**Skills**

| American Registry For Diagnostic Medical Sonography (ARDMS) | Patient Care And Safety |

| Quality Assurance In Vascular Imaging | Registered Vascular Technologist (RVT) |

4. You will then be navigated to the **Share Your Badge** page. From here click on the **LinkedIn** icon. You will be asked if you want to share you badge on your profile or if you want to just share it as an update. Choose the appropriate option(s) for you.

5. If you want to share your badge on your profile and on your newsfeed. Please check both boxes for **Add To My Profile** and **Share to my Newsfeed**. If you only want to share it on your profile or newsfeed. Click the appropriate boxes.

6. Right click the **Share To LinkedIn** button and then select open in a new tab. This will allow you to copy the necessary information from the page below to your LinkedIn profile.

7. You will then receive a message on your **Share My Badge** page that will say your badge has been broadcast to your LinkedIn newsfeed.

8. The **Certification name** in the **Name** field, **Issuing Organization**, **Issue Date** and **Credential URL** will be auto populated. Please confirm to ensure the information is accurate.
